Comp research for Sleepin' Bear Lodge · Robertson & Sumner Counties

Pricing, capacity, amenities, terms, and contacts for comparable event venues. Sourced from venue-direct quotes, official package sheets, and venue websites.

Read the two products separately:

- **Space-only rental** — the venue and its grounds; client brings their own vendors. *This is the cleanest comp for Sleepin' Bear.*
- **All-inclusive** — bundles catering, florals, DJ, coordination. A much higher number; not an apples-to-apples comp for a bare rental.

General market notes: Peak season runs roughly **May–November**; **Saturday** carries a premium over Fri/Sun and weekdays (commonly \$500–\$800 less off-peak). TN sales tax (9.25%) and refundable security/damage deposits are typical.
